

Chateau Musar

CHATEAU MUSAR WHITE 1989

Tasting Note

A golden amber colour with an intriguing nutty, buttery smoky nose of hazelnuts, honeysuckle, butterscotch and quince.

An opulent, rich palate – good structure and full bodied, an excellent food wine. Butterscotch, lemon and quince fruits on the palate with nutmeg and spice, a very well rounded long finish with nice acidity.

“My whites are my reds: if you can give them more time, they will give you more joy”.
Serge Hochar

“Pale amber, very broad bouquet that hits you like a cloud not an arrow. Not oxidized but waxy, with a green, vegetal Sémillon note on the nose. The palate has depth, presence and something salty about it—but citrus too. Bone dry, with a hint of walnuts; light in the mouth. Truly unlike any other wine. Fully mature but definitely not decayed. Extremely clean 12.5% alc. • Drink 2000-2024”
