

*Chateau Musar*

**CHATEAU MUSAR RED 1979**

**Tasting Note**

Quite deep colour showing some maturity. A richer and more concentrated version of the 1980, initially quite tannic but acidity fine and soft.  
Full, ripe and complex - this wine has a lot of depth with a long warm finish.

It is recommended to decant this vintage and to allow it to breathe for at least a couple of hours before pouring.
