## **CHATEAU MUSAR RED 1989**

### **Tasting Note**

The 1989 is exceptional.

Exceptional because with the war raging around them, the Chateau Musar winery was hit on several occasions and the deep cellars used as air raid shelters.

**Serge Hochar** remained philosophical throughout and reveals the following tastings notes:-

"A dry winter followed by a mild summer led to an exceptional vintage of very good maturity"

The nose on the 1989 vintage is remarkably fragrant and attractive. It is indeed a very fine wine; delicate, elegant with good tannins and great length.

Intriguing notes of roasted peanuts, smoked meat and cumin. Nice layering of flavours and texture.

Robe grenat legerement tuile.

Le nez oscille sans cesse entre l'aigre et le doux. Belle intensite aromatique. Notes d'epices et de fruits confits.

A une sensation de grande chaleur succede la fraicheur du fruit. Texture fine et soyeuse, des saveurs qui caressent le palais. Tannins presents, beaucoup de longueur.
