

Chateau Musare

CHATEAU MUSAR WHITE 1993

Tasting Note

A brilliant white wine with a yellow colour and some light green reflects.

The nose is very attractive, with great finesse, carrying notes of almonds flowers, pears and apricots, with hints of vanilla.

These characters are reflected in the palate with pears and bananas, a touch of saltiness and smokiness. A very long finish which ends with notes of honey.

Serve at cellar temperature : 15°C

The tasting of this wine can benefit from decantation.
