

Chateau Musar

CHATEAU MUSAR RED 1974

Tasting Note

The colour is bright, even brilliant – of tile and ruby.

An intensely powerful nose, gamey, minerally with grilled meats and spices. It is fine and pure.

A supple wine which is quite powerful on the palate. Tannins are still firm and balanced by good sweetness.

Harmonious with long length.

It is recommended to allow the wine to breathe for at least two hours and to decant before serving at room temperature.

Delicate strawberry, faded violet, aromatic spices, orange peel and dried fruits on the Tawny-like nose and palate. Marvellously balanced and extremely refined lightweight wine in the twilight of its lifespan but still vibrant and lovely. Tasted in November 2015.

Andrew Jefford
