

Chateau Musar White 1967

Overview

Chateau Musar White is made with the fruit from Merwah vines - an ancient varietal indigenous to Lebanon and grown around 1200-1400 metres above sea level on the slopes of Mount Lebanon, where the soil is gravelly over a limestone base.

The vines have an average age of 50 years old and are ungrafted so remain on their original rootstocks. They are trained on the goblet/bush-vine method and yields are much smaller than the reds, at less than 20 hl/ha.

Grape Varietals

Merwah

Vineyard Region

Mount Lebanon mountains

Winemaking

Traditional vinification - fermented with natural yeasts and aged in bottle prior to release.

Tasting Notes

Deep caramel colour. Dry, full-bodied with marked acidity. Vegetal character, with cooked apple, nuts and hay – Lindsay Groves, jancisrobinson.com, July 2008

Alcohol

12.5% Alc./Vol.
